

In this paper we extend RMM's modeling capabilities at the presentation level. We present an iterative

3. The M-Slice Solution

RMM prescribes a series of steps which are described in [4] [

Figure 3: Rendering of the **artice.bib_citation** m-slice

contributor.info. These three m-slices are placed in the application diagram as presentation units. After examining all the m-slices of the site, we obtain the diagram shown in Figure
